

I Walk

[Verse 1]

The path remains.
Forces shift.
Same space.
New alignment.

[Verse 2]

Noise reduced.
Interference fades.
Every step.
Measures.

[Chorus]

No center.
No edge.
A field interacting.
Presence.

[Verse 3]

Time collapses.
Possibility narrows.
One choice.
Takes shape.

[Verse 4]

To observe.
Makes real.
Unobserved.
It fades.

[Chorus]

No center.
No edge.
A field interacting.
Presence.

[Verse 5]

Same place.
Different phase.
Vectors aligned.

[Outro]

Local balance.
Unstable.
Enduring.
